### **Karat® announces new janitorial supplies**

Lollicup® USA, Inc. is delighted to introduce its latest addition to Karat®'s janitorial product line — the new Karat® toilet seat covers. Lollicup® prides itself on the quality of its great Karat® products, and these are no exception.

Karat® already offers soap and paper towel dispensers, paper towel rolls and multifold paper towels.

The new Karat® toilet seat covers are made of grade A recycled paper, taken from newspaper and copy paper. Each pack contains 250 toilet seat covers.

Karat® believes the product promises high quality and quantity at the lowest price possible.

For more information on this new product and more products by Karat, check out our [catalog](#).

### **About Karat®**

Specializing in food and drink packaging products such as paper coffee cups, plastic cups, food containers, dessert cups, cup lids and more, Karat® is manufactured by Lollicup® USA, Inc. In an effort to be more environmentally friendly, Lollicup® USA, Inc. developed Karat® Earth, a plant-based line of compostable products, including cups, straws, and utensils. Based in Chino, CA, Karat® and Karat® Earth also offer custom printed containers, cups, and napkins for a personalized touch. Please visit [www.karatcup.com](http://www.karatcup.com) for more information.
