FOR IMMEDIATE RELEASE

Lollicup® USA, Inc. makes 2015 Inc. 5000 list

CHINO, CA (Aug. 25, 2015) – Lollicup® USA, Inc., a leading manufacturer and distributor of disposable foodservice products and specialty beverage supplies, announced that it has been ranked on Inc. magazine’s prestigious list of the 5000 fastest-growing private companies in the United States. The list is available on Inc. magazine’s website.

This is the third year in a row the company has been ranked. This year, Lollicup® USA was no. 3,267 on the list.

Placement on the Inc. 5000 list is determined according to the percentage growth of a company’s annual revenue. A 3-year growth rate determines which companies make the cut, and where they place on the list. Lollicup® USA is ranked among some of the biggest names in business, including FITBIT, Nekter Juice Bar, Bai Brands and more.

In 2014, Lollicup® USA’s annual revenue grew 123 percent from 2010 to 2013, with \$60 million in revenue. This year, the company’s revenue grew 103 percent from 2011 to 2014, and has \$73.5 million in revenue. Lollicup® USA is committed to continuing its growth streak, with more sales and new Karat® products launching regularly.

Inc. 5000 companies will be honored at the Inc. 5000 conference and awards ceremony in Orlando, FL on Oct. 23.
